

Job Description

Title: Finance and Accounting Manager

Department: Financial and Accounting

Position Type: Full-time

Location: Luxembourg

JOB RESPONSIBILITIES

Established in 2015, PingPong Financial is a rapidly growing FinTech company with locations in the U.S., Hong Kong, China, and Luxembourg. PingPong is recognized globally as an innovative payment provider for global e-commerce merchants.

We are seeking a Finance and Accounting Manager who will be based in Luxembourg and will be responsible for leading the company's EU financial and accounting department, and for meeting the reporting requirements as defined by the Law of Payment Services of 10 November 2009 for Payment Institutions. The report line is the Managing Director of PingPong Europe S.A.

The main responsibilities of the role will be:

- Establish the company's European accounting policy
- Prepare regulatory (CSSF), financial and tax reports and ensure reporting requirements are met
- Coordinate with the company's external auditor to support the audit of financial statements and long form report
- Ensure quality control over financial reporting process
- Lead budgeting and forecasting process for EU business
- Administer payroll and company expense policies
- Carry out ad hoc financial analyses and interpret the results

QUALIFICATIONS

Education and Experience

- 4-year College degree or above in related area
- Minimum 5 years relevant working experience in financial accounting and reporting
- Possess excellent knowledge of Luxembourg GAAP and IFRS
- Several years of experience in preparing regulatory reports for CSSF

Special Requirements

- Internationally recognized accounting credentials

Skills and Abilities

- Strong written and spoken communication skills, analytical and leadership skills
- Fluency in English is required; skills in Luxembourgish, German, French, or Chinese are preferred
- Self-starter with ability to flourish in high-pressure environments
- Organized, autonomous, and pragmatic with sound judgment
